Syed Abdul Aleem, Esq ,B A ,
Secretary to the Government
of His Highness the Maharaja of Mysore,
Revenue Department,
Bangalore

With reference to your letter No W 16535 dated 30th May 1947, regarding the payment of allowances to Typists, I have the honour to state as follows -

1 President's office	3
2 Vice-President's office	1
3 Health section	1
4 Engineering section	1
5 Revenue office	1
6 Water Revenue section	1
7 Octroi office	1
Total	9

This Municipality consists of 7 sections as noted in the margin* There were two ster typists in the Engineering ar Health sections and one typis clerk in the Head office, (with shorthand qualification) Besides this, clerks with typing qualifications were working as Typists in other sections The necessity for two more steno-typists for the Head office, one to work as Personal Clerk to the President and the other for general and Council work, was keenly felt and two hands were sanctioned recently vide Government Order No L 13188-189/M1 11-46-136 dated 28-3-1947

Hence, there are in all 9 hands working as Typists and Steno-typists and they have to be paid the allowances according to the heavy typing and stenographer's work and their respective qualifications There are qualified senior typists and officials who have passed senior and junior Typewriting In addition to typing work, they are also made to attend to other clerical work

I, therefore, request that sanction of Government may kindly be obtained to the payment of this duty allowance of Rs 15/- per mensem in respect of the qualified steno-typists

appointed as such prior to the Government order No L 17-10-46 with effect from that date and to other typists and steno-typis in the sections from 1-3-47, according to their qualifications

It would be costly to create fresh posts of typists for each section, it is therefore proposed to give Duty Allowance t clerks who attend typing work and who have got the necessary qualification, at Rs 15/- or Rs 5/- according to the qualificati of the official The extra expenditure will be met under "Estab ment" provided for each section I request the favour of early orders of Government Copies of the office note in the matter and the resolution of the Council dated 10-6-47 thereon are enclosed for favour of reference

2 G O No Fl 6121/S & A 56-46-3 dated 17-2-47 regarding the absorption of typists and stenotypists in the existing clerical grades of each office and directing the mode of the grant of allowance for typing and stenotyping work

---

Memo

Hitherto there were no posts of stenotypists in the Municipal Offices, In the Head Office there was one typist clerk in grade 25-1-40 and the shorthand work was being attended to by the senior clerk in grade 50-2-60 for some time After his transfer there was no stenotypist at all Recently for the last two years persons with knowledge of shorthand work have been appointed in the grade 25-1-40 and a small allowance of Rs 5/- was being paid to them for taking down in shorthand all the proceedings of Council meetings This was a great handicap as Council have now sanctioned the posts of two Stenotypists on 40-2-50, One hand to look after general typing and taking down notes at Council meetings and the other, to work as personal clerk to the President These have been submitted to Government along with other proposals for the revision of the present establishment of the Head Office

Recently, two posts of stenotypists have been sanctioned one for the Engineering section and the other for the Health section on 40-2-50 each

The Government Order referred to above contemplates the abolition of separate posts of stenotypists and they being merged into the ordinary clerks' cadre, according to qualification and the payment of extra allowance for their being entrusted with shorthand and typewriting work It seems desirable to adopt the proposals in this office also, so as to provide clerks with knowledge of shorthand and typewriting of each section to facilitate work which is increasing day by day in each section of the Municipality

The services of stenotypists in each section is being keenly felt for the quick dispatch of work Graduates typists does not seem to be

be necessary in this Municipality and if they have to be appointed they may be started on a higher pay as such the posts of typists and stenotypists may be kept on a par with that of the second class clerks' appointment, viz , 30-2-50-2-60 with the allowance of Rs 15/- for a senior stenographer and Rs 10/- for a senior typist

At present 6 senior stenographers and 3 senior typists are required to the following offices

Senior stenographers -	President's Office	3
	Vice-President's Office	1
	Health Office	1
	Engineering Office	1
Senior Typists	Revenue Section	1
	Octroi Section	1
	ater Revenue Section	1
	Total	9

The allowance that will have to be paid for these will be 3 / 15 = 90 + 3 / 10 = 30 or Rs 120/- p.m. maximum per mensem

Sanction of Government to the grant of these allowances to the persons who actually work as stenographers and typists and merging the posts in the clerical cadre may kindly be obtained and due provision made in the Budget therefor

This may kindly be ordered to be placed before the Finance Committee at the time of the Budget

(Further note) Government in their order of 1st Dec-18 11/11-126 dated 28-12-17 have sanctioned the additional stenographic to the Head office)

Sir,

Grant of allowance to the Typists and Steno-typists of the Municipality

With reference to your letter No L 10981/19-11-1947 calling for dertain information on the above subject, I have the honour to state that there at present 4 posts of Stenographers and one post of Typist-clerk sanctioned to this Municipality to the sections in the sanctioned scale of establishment

1	Head office -	2 Stenographers
	-do- -	1 Typist-clerk
2	Health office-	1 Stenographer
3	Engineering -	1 Stenographer
		5

Besides these, there are 4 sections in Vice President's office, Water Revenue, Octroi and Revenue sections

where there is heavy typing work which is now being atterded to by clerks who know typing in addition to their regular clerical work As it would be very costly to have separate typists for these 4 sections, as there is not full time work for separate typists therein , it is recommended that the clerks who attend to typing work in these 4 sections may be granted typist-allowances admissible under rules according to qualifications as ~~xxxx~~ this proposal is economical

I have the honor to be,
Sir,
Your most obedient servant,

PRESIDENT
